HACCP International certifies these pest management products as suitable for use in a HACCP compliant pest control programme.

Such products must be applied:

1. by a qualified pest controller
2. in accordance with the pest control sub-section of a HACCP based Food Safety Programme
3. in accordance with the manufacturer's instructions and recommendations.

Licence Commencement 9 March 2025

Certificate Issue Date 12 May 2025 *RW*

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based Food Safety Programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

Syngenta Crop Protection AG is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in Region 1 (Australasia) in respect of the products listed above, for a period of 24 months from the licence commencement date. Syngenta Crop Protection AG is in receipt of the HACCP International Pty Ltd Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
