#### STORAGE AND DISPOSAL

Store in the closed original container in a dry well ventilated area, as cool as possible.

**DO NOT** store for prolonged periods in direct sunlight.

**DO NOT** re-use container or packaging. During storage keep from contact with fertilisers, other pesticides and seeds.

Shake empty into application equipment. Do not dispose of undiluted chemicals on site. Break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. **DO NOT** burn empty containers or product.

#### SAFETY DIRECTIONS

May irritate the eyes and skin. Avoid contact with eyes and skin. When using the product wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and elbow length chemical resistant gloves. Wash hands after use. After each days use, wash contaminated clothing face shield or goggles.

#### FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre. Telephone: Australia 13 11 26; New Zealand 0800 764 766. If skin contact occurs, remove contaminated clothing and wash skin thoroughly.

#### MATERIAL SAFETY DATA SHEET

For further information refer to the Material Safety Data Sheet, which can be obtained from the supplier.

#### WARRANTY

Products sold by Granular Products Pty Ltd, are registered by APVMA and manufactured as specified. Granular Products Pty Ltd (Granular Products), warrants the below mentioned qualifications on product conforming to APVMA specification.

Granular Products will warrant performance enquiries **ONLY** under the following criteria:

- All terms and conditions of the registered product label have been fully complied with, including but not limited to, the application circumstances, technique and application rate;
- Sufficient rainfall has fallen since application;
- There has not been water over the country or a flood event after application;
- There has not been a fire either immediately before or after application;
- The Purchase Contract, Trading Agreement and Terms and Conditions of Trading (as the case may be) have been fully complied with by the purchaser;
- All warranty claims must be made in writing to Granular Products within 12 months of application or purchase, whichever is the earlier.

Subject to the above criteria, any product warranty claim received and accepted by Granular Products shall be resolved by either replacement of the product sufficient to cover reapplication of the effected area or refund of the purchase price of the effected product at Granular Products sole and absolute discretion. Replacement of product or refund of purchase price shall be full and final settlement of any warranty claim.

#### LIMIT OF WARRANTY AND LIABILITY

Any warranty herein is limited to the purchase price paid by the purchaser for the effected product only. As the use of the product sold is beyond the control of Granular Products, no responsibility whatsoever for any consequences is accepted in respect of this product, save those non-excludable conditions implied by any State and Federal legislation or law of a territory. Not for repackaging or reformulation. No license under any non-Australian patent is granted or implied by purchase of this container.
