

HAND SANITISER & **PROTECTANT**

KEEPS HANDS CLEAN, FRESH AND PROTECTED
FOR UP TO 24 HOURS

Pure South™ Antibacterial Hand Sanitiser is a simple and effective way to stop contact-based infection.

Pure South is alcohol-free and helps keep your skin soft and healthy. It is suitable for use by children, and can be used around food, pets and plants.

Unlike traditional alcohol based hand sanitisers that only provide short term protection, our unique QuatLok technology creates an invisible microscopic layer of protection on your skin which continually destroys bacteria for up to 24 hours*.

24 HOUR HAND SANITISER & PROTECTANT

NON-STOP 24 HOUR GERM PROTECTION

Pure South Hand Sanitiser & Protectant kills 99.99% of germs and lasts up to 24 hours*. Pure South goes on wet and dries to form a long lasting, invisible, microscopic antibacterial barrier which protects your hands all day long.

ONE DAILY APPLICATION

Apply Pure South Hand Sanitiser to your hands, and rub together until dry. Once applied, Pure South stays active, even after normal hand washing.

NON-ALCOHOL FORMULATION

Pure South Hand Sanitiser & Protectant contains no alcohol, is non-flammable and is ideal for use on children and near food, plants and pets.

NO HARMFUL CHEMICALS

The Pure South barrier protects hands with an electrostatic charge, there are no poisons or harmful chemicals. Pure South replicates the forces used in nature to protect against bacterial contamination.

SOFTENS AND MOISTURISES HANDS

Pure South Hand Sanitiser & Protectant will gently moisturise and protect your skin. The non-alcohol formulation will not dry, crack or damage your hands. Hands are protected, soft and smooth.

DERMATOLOGICALLY TESTED

Pure South Hand Sanitiser is dermatologically tested and safe for skin contact. It is non-mutagenic, non-allergenic and contains no colourants or dyes.

*assumes typical daily activity.
